# Scotton Newsletter

**We're trying something new here's our summer newsletter.**

We thought we would bring you a summer newsletter to keep you updated with what's going on in and around Scotton. Since our last newsletter we have been busy getting Hawthorne Park refurbished and are so pleased to see so many people using it. We are planning the second Scotton Summer Fair to be held in Scotton Village Hall. We had so many lovely entries for all our competitions last year and would love to see more this year. See the back page for all the details. There is something for all ages. If you don't want to join the Parish Council but would love to help at these events, please get in touch using the below details.

## **Scotton Parks**

Scotton has 6 parks which we are responsible for as a Parish Council, some of these parks require substantial maintenance. All parks are independently inspected, weekly and annually which is paid for by the Parish Council.

### **Mallard Park, Falcon Park, Scotton Gardens, Oak Tree**

**Hawthorne Park** is our largest play park and has just undergone a large refurbishment, which was only possible through a successful grant application from Awards For All. The park is looking amazing and we have had lots of positive feedback from parents and children enjoying it.

**Meanee Park** we are at the point where we are applying to North Yorkshire Council to change the use of this park to a sanctuary garden. To hear plans and find out how we are getting on please look out for the minutes from our parish meetings.

**We are always happy to hear from residents young and old about what they would like to see in our parish. You can share your ideas by any means from our contact us section, or come along to a meeting.**

## **The Parish Council**

The Parish Council is responsible for looking after Scotton Village Hall, 6 play parks, dog park, allotments, and various open spaces which include trees hedges and grass areas.

All Parish Councillors are unpaid volunteers who give up their time to organise and maintain these areas within Scotton. We are always looking for volunteers to join us, if you think this is something that you would be interested in please contact the clerk on 07871341649 or email - [clerk@scotton-pc.gov.uk](mailto:clerk@scotton-pc.gov.uk)

## Why not book Scotton Village Hall.

It is a great hall that is available for you to book for a one off event or regular events or classes. The hall comes with a well stocked kitchen, plenty of tables and chairs and a car park next to it.

To book the hall please contact Ann England on 07853153903. £10 per hour for locals with free time to set up and clear down after your event. £8 per hour for regular bookings.

## Dog owners

Unfortunately the dog poo situation is causing a lot of distress to residents who are having to clean up other peoples dog poo on their properties. Also residents are standing in the dog fowl when out walking on Scotton paths. There are several dog poo bins around Scotton for you to place your bagged poo into. If you find a bin that is full please take your bags home and report the bin as full to [https://www.northyorks.gov.uk/bins recycling and waste / street cleaning and littering](https://www.northyorks.gov.uk/bins-recycling-and-waste/street-cleaning-and-littering) North Yorkshire Council is going to put up some dog fowl notices on lamp posts, please can you let the Parish Council know the number of the lamp post you would like them on.

## Dog walking park

We have received complaints regarding people using the dog park very early and late on a night, please respect the neighbours and ensure your dog isn't barking throughout their time in the park.

Please remember when using the dog walking park you are responsible for picking up your dogs poo, keep it clean for others and the poor grass cutters that keep the area nice for your dogs.

## Afternoon tea Includes

Selection of sandwiches, cakes, cream scone and tea or coffee.

## Afternoon Tea £5

## Defibrillators
