Scotton Newsletter

We welcome all new residents to Scotton!

We recently enjoyed our second Summer Fair, there was a significant increase in entries from last year which was great to see, but made the judging very hard. See above photos of some of the amazing entries. We look forward to next year and making the judges job even harder.

We hope you and your families have been enjoying the new playpark equipment installed in Hawthorne park, it always seems busy.

You can help out your neighbours

By keeping the footpaths which join your property clear from weeds and hedges you are helping your neighbours and local residents be able to access all the paths safely.

We need you!

The parish council is responsible for looking after Scotton Village hall, 6 play parks, dog park, allotments, and various open spaces which include trees, hedges and grass areas.

All parish councillors are unpaid volunteers who give up their time to organise and maintain these areas within Scotton. We are always looking for volunteers to join us, if you think this is something that you would be interested in please contact the clerk on 07871341649 or email - clerk@scotton-pc.gov.uk

"I've been a councillor for two years. It is a great way of finding out what is going on in our village, meeting new people and finding out where our council tax goes. I would encourage anyone to become a councillor. It's a couple of hours a month. That's all!"

Find us at....

Scotton Village hall,
Hawthorne Avenue,
Scotton,
Catterick Garrison,
DL9 3NE.

Scotton Parks

Scotton has 6 parks which the parish council are responsible for, some of these parks require substantial maintenance. All parks are independently inspected, weekly and annually which is paid for by the Parish Council.

**Mallard Park, Falcon Park, Scotton Gardens,
Oak Tree, Hawthorne Park and Meanee Park**

We are applying to North Yorkshire Council to change the use of Meanee Park to a sanctuary garden. To hear the plans and how we are getting on please look out for the minutes from our parish meetings.

We are always happy to hear from residents young and old about what they would like to see in our parish. You can share your ideas by any means from our contact us section, or come along to a meeting.

Would you like digital updates?

We would like to move forward and have an easier and faster way to communicate information from Scotton Parish Council to residents. This will only be information that will affect you as residents, this could be road closures, newsletters, etc

If you would like to be a part of this please email the Clerk on
clerk@scotton-pc.gov.uk

Please provide your name and address and the email address you would like to receive the information to.

This will allow us to contact you in the future.

Dog owners

A polite reminder that when walking your dog it is your responsibility to pick up your dogs poo. There are dog poo bins around Scotton for you to place your bagged poo into. If you find a bin that is full please take your bags home and report the bin as full to [https://www.northyorks.gov.uk/bins/recycling and waste / street cleaning and littering](https://www.northyorks.gov.uk/bins/recycling-and-waste/street-cleaning-and-littering)

Christmas Shopping Fair

At Scotton Social Club

Saturday 29th November 10am-2pm

We have a range of different stalls coming so you can get your Christmas shopping started or dare I say finished. There will be a tombola and some refreshments while you shop including yummy cakes.

Defibrillators

We are very lucky to have two defibrillators in Scotton, one located at the village hall and a second located at Le-Cateau school.

The defibrillator located at Scotton village hall has seen a lot of activity since being installed. We are establishing where else within Scotton Parish defibrillators should and can be located. We are actively looking for sponsorship for our defibrillators, please email the parish council if you would be interested.

Christmas Lunch

We are running our annual Christmas lunch again this year after the success we have had each year. It will be lovely to see everyone.

It will be held this year on
Tuesday 9th December
at 12:30pm at Scotton Village Hall.
Booking your place

Please contact Ann England on 07853153903, to let her know that you are coming at least 1 week before the event.

*Bring your own cheer.
Donations welcome.*
